Sir:

This Reply Brief is in response to the Examiner's Answer mailed March 10, 2003. An Appeal Brief was mailed January 31, 2003, appealing from the final rejection of claims 1-5, 7, 10, 11, 13 and 15-17 in an Office Action dated August 26, 2002.

A petition for a one month extension of time accompanies this brief. With this extension, this brief is due by June 10, 2003.

The Grounds for Rejection appear to be substantially the same as the reasons provided in support of the final rejection. In a few locations, additional citations have been provided. The Examiner appears to use these new citations for support in the Response to Argument. Since Appellant fully addressed the Examiner's grounds for rejection in the Appeal
